

8th March 2021

HEAD OF SCHOOL: Mr I Bacon

Dear Parent/Carer,

Parents Evening - Wednesday 17th March

We would like to invite you to attend our Parents' Evening on Wednesday 17th March which will be via a video call, (please only book one appointment).

It is always our intention to give parents and carers the most accurate picture of how their child is progressing at Watling Academy. Due to the Covid restrictions that are currently in place to keep us all safe, we will be conducting a virtual parents evening via a video link. Your appointment will be with your child's form tutor and follow a similar format to the last parents evening.

The meeting will provide an opportunity to discuss your son/daughter's attitude to learning, their progress and achievements, and also their well-being. We will work together to establish any support required and to identify personalised targets that will help your son/daughter continue to make progress.

To make an appointment you will need to use our online appointment booking system. This allows you to choose your own appointment times with Tutors and you will receive an email confirming your appointment.
