What is expected of me when I am learning from home?

1. For students accessing learning on an individual basis

- You will be following your school timetable for the week. Make sure you know what lessons you have, on what day and at what time.
- Go to your Homework tab on Class Charts and look for 'Blended Learning' tasks for the date(s) that you are learning from home.
- Complete all tasks to the best of your ability and make sure to email completed tasks to your subject teachers at the end of each day.
- Email your class teacher using your school email if you have any questions about completing the work.
- If you have forgotten or have any issues with your school login, please email <u>webmaster@watling.academy</u>
- Make sure that you email your class teacher the work you have completed <u>at the end of every lesson.</u>
