

21st May 2024

Dear Parent/Carer

Year 7 End of Year Assessments

Year 7 students will be sitting their end of year assessments in all subjects in the weeks beginning 3rd and 10th June. These will happen in students' usual lesson times, and each class will be told by their class teacher when their assessment is scheduled.

These assessments will allow teachers to better understand the progress students have made over this academic year, and to feedback to students how they can improve further.

Class teachers will have provided a checklist of topics that may come up on the assessments for students to refer to.

Please could you make sure students are equipped fully ready for these assessments. They should have pens, pencils, a ruler, a protractor, a calculator and any other materials that specific subject teachers require for their assessments.

Students will not sit end of year written assessments in PE, STEM or Wellbeing.

Yours sincerely

Mr A Brown
Assistant Headteacher - Education
