

Friday 6th September 2024

Dear Parents / Carers of all Year 11 students,

I would like to 'hit the ground running' in Year 11 and I have asked some teachers to put on extra sessions after school to help boost levels of achievement.

These sessions will run from Monday 9th September until Friday 29th November 2024.

Some of these sessions are 'Booster' sessions that are open for **all** students to attend. Other sessions are 'Intervention' sessions, to which students have been specifically invited. They have been selected using the end of Year 10 progress reports, where we focused on any gaps between target grades and current learning grades. (Separate, personalised letters will be sent to parents/carers of invited students).

The sessions indicated on the next page are the current sessions in place, to which I would encourage students all to attend.

If you would like any further details, please contact your child's subject teacher or form tutor.

Kind Regards

Mrs Barford
