Dear Parent/Carer,

There was a slight error with the ingredients list that was sent out for year 8 they start cooking the week beginning the 10.06.24 not the 03.06.24 as was originally stated on the previous letter home. I do apologise for this.

However, if your child has food on Monday the 10.06.24 they will have their macaroni cheese practical on the 17.06.24 as I am on a training course on the 10.06.24. A revised list is attached I will also share information about practical lessons on Classcharts.

Yours faithfully

Mrs. Sydia Wint
