To Parents/Carers of all Year 10 students

Dear Parent/Carer

As part of our continued drive to support students in raising their levels of achievement and being successful in their GCSE examinations I have arranged for 3 alternative mornings of study on Monday 8th July, Tuesday 9th July and Thursday 11th July. Students will not attend their normal lessons on this day but will, however, attend personalised sessions that are focussed on completing subject specific skills.

Following the recent year 10 exams, we have identified 3 areas that would help students to improve their grades in certain subjects. These are:

1. Maths used in Science,
2. Developing exam techniques in Maths,
3. Developing field work skills and/or interpretation of extracts in the Humanities subjects.

Each student will receive an individual timetable indicating what subject to attend and what rooms to go to. All students should be in full school uniform as usual.

Thank you for your continued support.

Kind Regards,

Mrs Barford
