

1st July 2024

Dear Parents and Carers,

Sports day – Friday 5th July

I am writing to inform you about the arrangements for our Watling Sports Day. On Friday, 5th July, the entire school will participate in various sporting events throughout the day. Students will represent their Houses and compete to earn points, with the goal of having one House crowned the winner. Forms have been preparing diligently for the event by creating banners, developing encouraging chants, and selecting their events.

On the day itself, we request that all students arrive at school in their full PE kit. All students must wear trainers and bring a named water bottle. Please ensure that students are dressed appropriately for the weather; sunscreen should be applied before coming to school, and students are permitted to wear a hat. In the event of colder weather, please ensure students bring a raincoat.

If your son or daughter has chosen to participate in the House football competition, they must bring shin pads and moulded studs or astroturf boots. Without these items, they will not be allowed to participate in this activity.

Due to the organisation of the day, all students will have lunch at the same time. To reduce waiting times, food will be provided as a 'grab and go' lunch. However, we encourage students to bring a packed lunch, as the canteen is likely to be very busy.

We are looking forward to a fantastic day of sports, where all students will demonstrate our values of respect, responsibility and kindness.

Yours sincerely,

Miss Willison
