Dear Parent/Guardian,

I hope this letter finds you well. If you are a recipient of this letter, your child will be changing tutor groups in the next academic year. I am writing to inform you of some important changes that will be taking place next year regarding the tutor groups for students who will be entering Year 8. These changes are being made to ensure we can provide the best standard of education, particularly in modern foreign languages, now that students will be studying either Spanish or Mandarin exclusively.

Students are to be re-grouped in all subjects for September, so these changes are made to coincide with the new academic year.

We have carefully considered these changes to minimise disruption and ensure a smooth transition for the students. Please be assured that your child's wellbeing and educational experience remain our top priority, and we have put a lot of thought into this decision. If you have any questions or concerns regarding these changes, please do not hesitate to contact Mr Mason, Head of Year 7. We appreciate your understanding and cooperation as we make these necessary adjustments to better support our students' language learning journeys.

Students will be informed of their new tutor group before the end of the summer term.

Thank you for your continued support.

Mr A Brown
Assistant Headteacher
