

15th July 2024

HEAD OF SCHOOL: Mr I Bacon

Re: End of Year Awards Evening

Dear Parent/Carer,

We are delighted to announce that your child has been nominated for an award at this year's End of Year Awards Evening, to be held at Watling Academy on Thursday, 18th July 2024.

The evening's proceedings will commence with the opening of doors at 5:45 PM, followed by the Awards Ceremony promptly beginning at 6:00 PM. The ceremony will encompass the distribution of tutor awards, subject awards, and extracurricular awards recognising exceptional contributions by students. In addition, the programme will feature a literary reading from one of our student's exceptional pieces of work and a performance from our esteemed school production of "Bugsy Malone." The event is scheduled to conclude at 7:20 PM.

In recognition of your child's achievements, we are delighted to extend two additional tickets for your attendance at the ceremony. Due to seating constraints, each student is limited to a maximum of two guests. We kindly request that only those with tickets attend, as we are unable to accommodate additional attendees.

We eagerly anticipate your presence as we celebrate the academic and extracurricular accomplishments of our students. This evening represents a significant opportunity to acknowledge and honour the dedication and hard work exhibited by our students over the past year.

Kind Regards,

Mr Mason
