Dear Parents and Carers

Use of Aerosol Sprays

I would like to remind all parents and students that aerosol sprays, scented body sprays, aftershave or perfumes are not permitted for use at Watling Academy and that deodorants must be roll-on.

Please can we ask for your support in ensuring that your child does not bring any of these prohibited items onto school site.

We have recently had several incidents involving aerosols being used in school which have impacted asthmatic staff and students. As you can appreciate this can be an unpleasant and somewhat frightening experience for all those concerned. Please can we work together to ensure that the school remains a safe place for all, including those who are adversely affected by aerosols and/or perfumes.

Thank you in advance for your support with this matter.

Mrs Harris
Deputy Headteacher
